Subject: Request for FBI Prepublication Review

CLASSIFICATION: ~~SECRET~~/NOFORN

b6 -2 Per FBI

To follow up our telephone conversation, this is to request FBI prepublication review of the attached manuscript, "The Blue Planet: Informal International Police Networks and National Intelligence."

As brief background, the manuscript is to be published by the National Defense Intelligence College, a DIA component, and is based on work by the author, a State Department employee, while a Research Fellow at the NDIC.

Discussion/mention of the FBI may be found on manuscript page # 1, 2, 5, 6, 10, 14, 19, 27-30, 35-36, 38-39, 41, 47-50, 53, 68-69, 76, and 82.

I have not included the graphics/illustrations the author intends to use as they are State Department items.

The manuscript is also being reviewed by State and DEA.

While there is no firm publication date for the manuscript, it would be helpful if FBI review could be accomplished by 22 January.

Please let me know if you require additional information or have any questions. I may be contacted via email or at the telephone numbers below. I would appreciate it you could confirm that you have received the manuscript.

In advance, thank you for your assistance.

Respectfully,
